

Announcing
THE NORTH U MATCH RACING CLINIC - ANNAPOLIS
May 19-21, 2017

NOTICE OF CLINIC

This Clinic is designed to introduce sailors to the excitement, skills and tactics of match racing, and to raise the skill level of those who have experience in match racing. It is also an opportunity to learn and improve on the techniques needed to sail a small keelboat, including spinnaker use and sail trim.

The Clinic will be coached by Dave Perry, five-time U.S. National Match Racing champion and two-time Congressional Cup champion, as well as a coach for the 2009-2012 US Women's Olympic Match Racing effort and Chairman of the US Sailing Match Racing Committee.

Dave will coach the tactics and strategies needed to be competitive and successful in match racing on the National level, including the Pre-Start, Upwind and Downwind Tactics, and Killing Penalties. On the water, Dave will run the sailors through all the scenarios, with on-the-spot feedback, and video replay after sailing. In addition, he will give much instruction and feedback on how to sail a keelboat fast and do all the boat handling needed to be successful.

Dave will also explain the significant new rule changes being used in match racing in 2017 (see Appendix C of The Racing Rules of Sailing) which were known as the 2016 Test Rules for Match Racing.

NOTE !!!!

Annapolis Yacht Club is hosting a US Match Racing Championships Qualifier event in June in the same boats and venue as the Clinic. Participating in this Clinic will give participants a huge advantage over their competition.
